

Friday A.M.
Dearest Mother & Daddy:
We are
our second morning in our new
home. The Lord has blessed in
giving us a church & protecting
us & meeting our needs in
the move. Two men were sent by
the church here to move us & a
number more came to help unpack
& place things. Two stout young
women came to help unpack, wash
dishes, etc. Now I need them, too!
I was so grateful. Sometimes I
just sit down & gaze in astonishment.
The brethren plan to go for the
calf-cow next week unless we de-
cide to sell her. A Harrison man
said he takes the two for \$100.
Trust you are both well. Hope you
had that good vacation in Yosemite Bay
now. I have our love to all of the kids.
I would love to see you all.
Dearest I love & miss & think of you.
